The **Challenger Division of Little League** is a program for mentally & physically challenged youth. This division of little league helps the children to enjoy the full benefits of participating in an athletic environment that is structured to their abilities. More than the skills of baseball are learned through the Challenger Little League experience.

- The value of the Little League Challenger Division has been proven therapeutic
- The children benefit from learning the socialization aspects of participating in team sports.
- Team sports have also proven beneficial with the strengthening of the participants' self-esteem
- The children have the opportunity to mainstream into other divisions of play
- They learn the disciplines of teamwork, sportsmanship, & fair play
- They play with the same equipment on the same fields as the other Little League teams
- Players wear the same uniforms & safety equipment as all Little League players
- Challenger Division participants have the opportunity to experience the joys of pulling together as a team while being cheered for by fans and teammates
- The Children will also receive awards for their achievements.
- EVERYONE PARTICIPATES! Each Challenger player is in the batting order & plays defense the ENTIRE game.

**We at Rosamond Little League, are hoping for a NEW and EXCITING 2012 Season for our Challenger Players!**

**The Challenger Division is open to all physically & mentally challenged youth ages 5 through 21, if attending school.**
